What does our Logo say

"A logo is just not a communication, it's the Identity. It's the period at the end of sentence. Not the sentence itself." -Sagi Haviv.

We weaved our logo for the 7th IAF India Facilitators Conference with the same belief. C stands for 'Cosmos'. The waves within are reflecting Lush Green aura of Kochi (Kerala). All together, merged with the chosen colour themes of International Association of Facilitators. With this, we bring together the colour palette of facilitation world.

This logo is reflective of the cosmos that we all inherit with in. The microcosm of this cosmos would come alive during 7th IAF India Facilitators Conference 2022!
